

Table of permit categories, price list and issuing authorities

No.	Permit category issuing authority	Parameters of the non-standard vehicle	Roads on which the non-standard vehicles may travel	Expiry date (months)	Fee in PLN
1.	I staroste	of length, height, axle loads and actual total weight not exceeding the permissible values, of width not exceeding 3.5 metres;	general access roads, with the exception of expressways and motorways	12	100.00
2.	II staroste and head of the customs and revenue office	with axle load and actual total weight not exceeding the permissible values, of width not exceeding 3.2 metres; of length not exceeding 15 m for a single vehicle, 23 m for a combination of vehicles; of height not exceeding 4.3 metres;	general access roads	1	200.00
				6	400.00
				12	1 200.00
				24	2 000.00
3.	III General Director for National Roads and Motorways and Head of the Customs and Revenue Office	with axle load and actual total weight not exceeding the permissible values, of width not exceeding 3.4 metres; of length not exceeding 15 m for a single vehicle, 23 m for a combination of vehicles; 30 m for a combination of vehicles with steering axles, of height not exceeding 4.3 metres;	national roads	1	500.00
				1	1 000.00
				12	2 000.00
				24	3 000.00
4.	IV General Director for National Roads and Motorways	of width not exceeding; 3.4 m for single carriageway roads, 4 m for dual carriageway roads class A and S, of length not exceeding 15 m for a single vehicle, 23 m for a combination of vehicles; 30 m for a combination of vehicles; with steering axles, of height not exceeding 4.3 metres; with actual total weight not exceeding 60 t, with axle load not exceeding the permissible values;	general access roads	1	800.00
				6	1 600.00
				12	3 200.00
				24	4 800.00
5.	V General Director for National Roads and Motorways	with dimensions and actual total weight greater than those specified in categories I to IV, with axle load exceeding the permissible values;	the designated route as indicated in the permit	14 days - for a single passage	500.00 for a single passage of a vehicle, the dimensions of which exceed those specified

(mayor - if the route lies within the administrative borders of a town with district rights and is not an expressway or a motorway)				30 days - multiple passages	for categories II and III, but the axle load and the weight of which do not exceed those permitted
					1 600.00 for a single passage of the vehicle in other cases

In the case of **multiple** passages, the fee is determined according to the formula:

$$O_n = P_j + (n - 1) \times 0,7 \times P_j$$

where:

- O_n = Permit fee,
- n = number of passages of the non-standard vehicle,
- p_j = the rate for the issue of a permit for a single passage of a non-standard vehicle.
